

FLEET SHELVING

THE SUPERIOR VAN SHELVING SYSTEM

- **Maximises profitability:** Makes your vehicle as organised and efficient as possible
- **Suits all vehicles:** Vans, trucks, wagons, utes bodies - fits all makes and models.
- **Heavy Duty:** Bolted connection and the heavy duty securing methods give FLEET SHELVING superior strength - it won't let you down.
- **Adjustable and interchangeable:** Choose from our range of standard systems or customise to suit your needs.
- **Professional:** Create a better image to your customers.

Better storage and organisation gives you better stock control, more efficient use of your time and the opportunity for higher profits.

7 Reasons why **FLEET** SHELVING is superior!

Standard kits available, or create your own.

We have gained a lot of experience over the years by fitting hundreds of different trade vehicles. So now we have made the most common systems available to you in the form of standard kits... choose from the system that best suits you or design your own from a full range of options.
