

# PILOT ESCORT VEHICLE SIGNS

TO SUIT ALL  
VEHICLES

The Jaram Pilot Vehicle Escort sign is engineered to the very latest Dept. of transport regulations. It is designed to withstand the strong wind factor when raised, and to fold down neatly and compactly when not in use.

## ELECTRICAL AUTO OPERATION KIT

Fitted with an electrical actuator, the sign can be raised and lowered from inside the vehicle.

Jaram recommends wiring of the electric sign be carried out by a qualified auto electrician'

- Heavy Duty Roof Bars
- Ute Racks
- 4wd Roof Racks
- Cargo Barriers
- Safety Ventilation
- Van Shelving
- Floor Protection
- Tool Boxes
